

Receive up to \$3,000 when you install new higher-efficiency and safer heating oil equipment.

To Qualify for Rebates:

- ✓ Customer must be an Ohio resident or business.
- ✓ Installed equipment must be higher efficiency than the system it replaces.
- ✓ Storage tanks must be new and installed above ground.
- ✓ Storage tanks in basements qualify.
- ✓ Rebates may be combined per address, but only one rebate per specific item. (Ex: furnace and storage tank for \$2000, but not two storage tanks per address.)
- ✓ Rebates are available first come first serve, while funds last.
